

VISUALS	SCRIPT
A <b>MAN</b> in a nice suit sits at a table in a fancy restaurant. He addresses an unseen date.	MAN: We've had a great five years, but lately I feel like something's off. I just- I just don't think I can do this anymore.
In the seat across from the MAN is a decrepit <b>GAMING CONSOLE</b> . It moves and shakes as if "talking."  <b>SUBTITLES</b>	CONSOLE: <i>whirring fan sound effects</i>  Subtitles read: "Is there someone else?"
Cut back to the MAN	MAN: Don't be like that.
Cut back to the CONSOLE  <b>SUBTITLES</b>	CONSOLE: <i>whirring fan sound effects</i>  Subtitles read: "Oh this is happening! What do they have to offer that I don't?"
Cut back to the MAN  Insert demo shots of products the Man mentions.	MAN: With Skytech, I get unparalleled graphics capabilities with cards like the RTX 4070, as well as full customization of important components such as my CPU, GPU, and RAM.
Cut back to the CONSOLE  <b>SUBTITLES</b>	CONSOLE: <i>whirring fan sound effects</i>  Subtitles read: "Is that all?"
Cut back to the MAN  Insert demo shots of products the man mentions.	MAN: Hardly. With other features like advanced modding, backward compatibility, and the growing list of PC exclusive games, it just makes sense... I'm breaking up with you.
Cut back to the CONSOLE  <b>SUBTITLES</b>	CONSOLE: <i>dejected whirring fan sound effects</i>  Subtitles read: "What a long and... specific list you have."
Cut back to the MAN  He looks directly into the camera.	MAN: What can I say? I think I'm in love.
Cut to demo animation of the Skytech Nebula gaming PC  Link to website.	VO: Nebula, the ultimate pre-built gaming experience from Skytech. Level up your gameplay today.
